

THE CHOICE OF
PROFESSIONALS

Making dreams come true

Bondon Solutions has been in the construction industry since 2008. We are one of the popular, trustworthy and budget friendly construction industries in Kerala. We have skilled and professional employees to meet the need of customer satisfaction with their hard work, expertise, and technical knowledge. We not only provide better service but also provide the high quality products that are imported from well esteemed manufacturing companies of northern parts of India and overseas. The products we import: **high performance construction chemicals, waterproofing materials, adhesives and sealants and major construction products.** Bondon solution is the solution for all the technical, manufactural and artistical works.

We have completed our 15 years of journey in this industry. In this time being we succeeded in satisfying 500+ customers by understanding their needs and providing service as per their expectations. Our portfolio includes a range of solutions pertaining to various types of concerns in construction industry. We have 50+ employees leading different department such as technical service department, customer support department, sales engineers department, construction workers department.

Mission

To solve, serve and satisfy the need of customer by providing the assured quality products for construction work in residential, industrial, commercial, institutional and so on.

In addition, we look to grow the business by offering superior, high quality products, advanced knowledge, punctual, precise technical assistance and unsurpassed customer service.

Vision

We strive to equip innovative solutions that stand the test of time and expand our horizons in the field of new construction technologies and to be part of renowned construction companies in India. Our vision is to spread the wings worldwide and serve our customers to make their dream come true.

Proficient in

WATERPROOFING

We can rectify the damage caused by leakage using the right waterproofing solution. We use high quality waterproofing materials because your safety is our priority.

- Bathroom Area
- Terrace Area
- Shade Area
- Retaining wall Area
- Swimming pool Area
- Basement Area
- Over Head Tank Area
- Under Ground Tank Area
- PU Based Coating
- Crystalline water repellent coating
- APP Membrane
- APP Liquid Membrane
- HDP APP Membrane
- PVC APP Membrane
- Chiller Plant Area

Proficient in

REPAIRING WORK

Micro concrete is the trendy solution for a seamless surface and decorative finishing.

- Micro concreting system
- Structure Repairing

Proficient in

INDUSTRIAL & RESIDENTIAL FLOORING SYSTEM

Choosing a perfect flooring for your living space makes the interior exceptional. We provide various flooring types.

- Epoxy Flooring
- VDF (Vacuum De-watering Flooring) (IPS)
- PU Flooring
- Concrete Polishing (Densification)
- Sealing Polishing
- Cladding Polishing
- Brick Polishing
- Self Levelling Concrete System
- Micro-topping system
- Terrazzo Flooring

Proficient in

RESIDENTIAL/INDUSTRIAL ALL MAINTENANCE, PAINTING & NEW BUILDING

Painting your space is the great way to make it look good. An incredible interior design gives a flawless ambience.

- Painting
- Tester woks (Normal & Premium)

Proficient in

TILE WORK

We have the expertise in tiling. We provide excellent finishing work in less time.

- Tile Laying
- Granite & Marble Laying
- Epoxy Filling
- Cleaning & Protection Coating

Proficient in

PEST CONTROL

Maintaining the living space clean and clear is the most difficult task in the daily chores, so we bring you a perfect solution for the pests that are destructive for your living space.

- New & Old Buildings

Proficient in

PLINTH BEAM AREA

It is necessary to have a perfect foundation for your building to prevent the cracks on the walls in future, we are here for you!

- Gp2 Grouting
- Pressure Grouting System (Manual)
- PU & Epoxy Grouting System (Electrical)

Proficient in

LANDSCAPING

Presenting you an appealing exterior design work according to your requirement.

- Synthetic and Mexican Grass Laying
- Paving tile laying
- Natural tiles
- Kadappa stone
- Bangalore stone

Major Clients

Products

EPOXY & POLYURETHANE FLOORING PRODUCTS

Epoxy and PU floor and wall coatings

Epoxy and PU self levelling chemicals

Epoxy and PU conductive/anti static flooring chemicals

Epoxy and PU screed

READY TO MIX CEMENT PLASTER

Water resistant ready to mix cement plasters with polymer additives

PROTECTIVE COATING

Anti carbonation coatings (for R.C.C structures)

Fireproofing coating chemicals (for steel & R.C.C structures)

Coal tar based pitch applied protective coating (for R.C.C structures)

RUST REMOVERS

Rust removers

Cleaning chemicals

Products

MICRO CONCRETE
FOAM CONCRETE
VERMICULITE CONCRETE
LIGHT WEIGHT CONCRETE

TILE ADHESIVES AND
EPOXY GROUTS

Tile Adhesives
Epoxy Grouts
Tile Joint Epoxy and cementitious

INDUSTRIAL & HEAVY
DUTY FLOOR HARDEN

Carborundum floor hardeners
Ironite floor hardeners
Micro silica
Polyester fibers
Steel fibers

ANTI-CORROSIVE
COATINGS

Epoxy anti-corrosive coating
Coal tar based anti corrosive coating
Polyurethane based anti-corrosive coating

Products

SURFACE TREATMENTS

Shutter releasing agents
Curing compounds

LDPE/HDPE LINER

Low density & high density poly ethylene liners for water.

Proofing and for making artificial ponds

EXPANSION JOINT SEALANTS

Polyurethane expansion joint sealants

Polysulphide joint sealants

Epoxy joint sealants

Silicon sealants

Hybrid sealants

Acrylic sealants

Foam sealants

ADMIXTURES

Plasticisers, Super plasticisers, water proofing admixtures

Pressure grouting admixtures

Self compacting admixtures

Fast setting admixtures

Products

WATERPROOFING CHEMICALS

Acrylic polymer based
Waterproofing chemicals

Highly elastomeric acrylic
polymer based waterproofing
materials.

Crystalline based waterproofing
chemicals

Acrylic based UV resistant
waterproofing

PU based UV resistant
waterproofing chemicals

Epoxy based waterproofing
chemicals

Nano technology waterproofing
chemicals

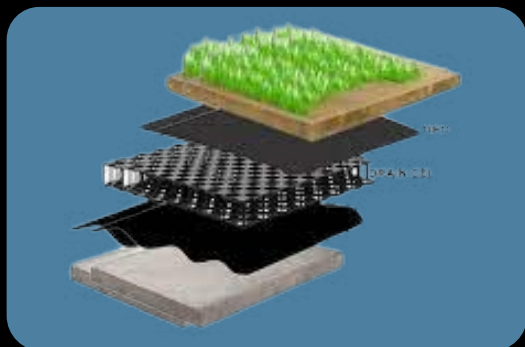

WATERPROOFING MEMBRANES

APP-atalic poly propylene
bituminous based membrane

SBS self adhesive bituminous
based waterproofing
membrane

PVC membrane waterproofing
membrane

Bentonite based waterproofing
membrane

DRAINE CELL

Products

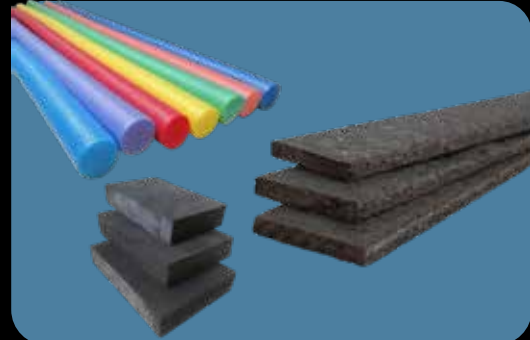

CONCRETE REPAIR & REHABILITATION PRODUCTS

Fiber modified light weight polymer modified mortar

Non shrink, cementitious micro concrete

Polymer modified reinstatement mortar

Carbon fiber (for strengthening work of R.C.C structures)

EXPANSION JOINT BOARD & ROADS

Bituminous expansion joint boards

Dura boards

Dura rodes

GEO TEXTILE MEMBRANE

100 GSM to 1000 GSM geo textile membrane

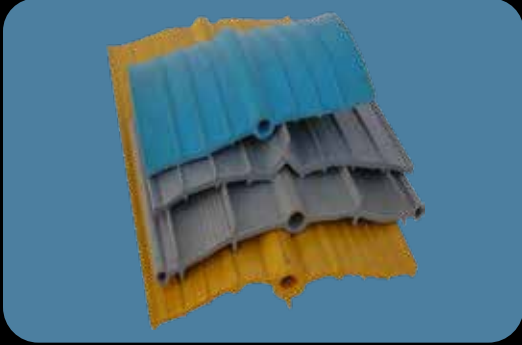

THERMAL INSULATION PRODUCTS

Solar reflective waterproofing cum thermal insulation coating

Extruded polystyrene

PU foam

Products

WATER STOPPERS & SWELLABLE WATER BARS

Swellable bars, water stoppers for basement retaining walls and water retaining structures

Acylate water bars for construction joints and water

PVC water stoppers for construction joints and water retaining structures

FIBER GLASS PRODUCTS

Fiber glass fabrics

Fiber glass mesh

Fiber glass tape

CLEANING PRODUCTS

Tile cleaning chemicals

Degreasing cleaning chemicals

INJECTABLE GROUTS

Cementitious non shrinking grouts

Injectable epoxy grouts

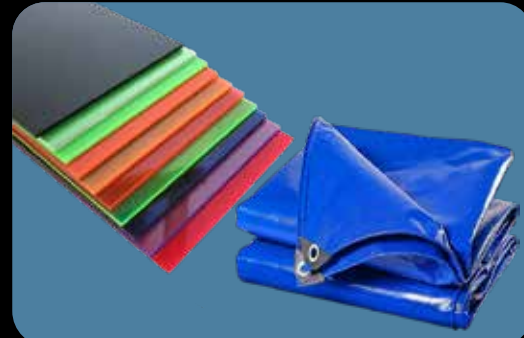

Injectable polyurethane grouts

Products

ANCHORING CHEMICALS

Epoxy based grouts for anchoring
Fine grade silica powder

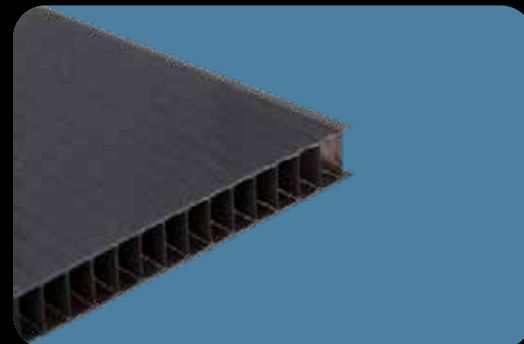

TILE/FLOOR PROTECTOR SHEETS

Silpaulin finish protector sheets
Woven finish protector sheets

QUICK SETTING MORTARS

Cementitious quick setting mortars
Epoxy quick setting mortars

PROTECTION BOARDS

Bituminous protection boards
Cross linked polymer protection boards

MRAW Co Working Space, 3rd Floor,
KC Tower Building, Near TV Centre, Kakkanad,
CSEZ P.O. 682037, Kanayannur Taluk, Ernakulam District
